## 6. Competition structure

(\*) C07/C08/C09/C10 = two (2) voluntary exercises, best one (1) counts.

## 7. Finals IND / SYN

(C01 until C20)

The gymnasts/synchronized pairs with the 8 (eight) best scores from the Qualifying Round will go forward to the Finals. (\*\*)

If there are 10 gymnasts/pairs or less in a competition part, only 70% will compete in the Finals. This means:

11 or more	8 to finals
10	7 to finals
9	6 to finals
8	6 to finals
7	5 to finals (***)
6	4 to finals
5	4 to finals
4	3 to finals
3 or less	all to finals

Starting order in Finals of Age Group 17-21 and Senior Competition Parts will be by draw.

In case of any **tie**, then **tie break rules** will apply (art. 4.4. "TR 2022-2024" & art. 9 "Rules for Junior and WAGC 2022-2024"). If wanted, a summary of the Tie-break rules is available at the Competition Office during the event.

(\*\*) In addition the host club will be allowed to set up one gymnast in both Senior Open categories C09 and C10 in case that it is not represented. Such "Wild Card Gymnasts" must have participated in the qualification. "Wild Card Gymnasts" will be able to receive medals and prize money.

(\*\*\*) If there are 5 gymnasts/pairs or less in the finals, the scores of the qualification will be added to the scores in the finals.

## 8. Finals TEAM

(C30 and C31)

The best 5 teams of the Age Group and Senior class will compete in the finals. The team coaches will be invited to be presented together with the team when marching in for the Team Finals.

The Individual qualifying round acts as qualification for Team Finals. In Senior Team Competition, the sum of the 3 (three) highest scores obtained by the team members in each round of the qualification will give the overall team score (sum op six (6) after qualification).

**Note:** Due to the possibility of the competition office to rectify individual scores during the tournament, the team qualification scores are final and complete after notification from the competition office. Team scores in every other category only shows the contribution from that category that is going to be exported to the overall team scores.

Teams in the finals consist of three (3) gymnasts. Each gymnast will perform one exercise.

Therefore team finals are composed by three (3) rounds. The starting order for the teams in all three (3) rounds is in rank order, with the first gymnast from the team on 5<sup>th</sup> place going first, followed by the first gymnast representing the team on 4<sup>th</sup> place, etc.

The classification is determined by the sum of the ranking points (5, 4, 3, 2 and 1) a team achieves in each round. The winner is the team with the highest sum op ranking points in the Team Final.

In case of any tie, then tie break rules will apply (art. 4.4 TR).
